Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Unemployment Compensation for Federal Employees information collection. The Federal Unemployment Compensation Act, 5 U.S.C. 8501, *et seq.*, requires a State Workforce Agency (SWA) to administer the Unemployment Compensation for Federal Employees (UCFE) Program in accordance with the same terms and provisions of the

paying State's unemployment insurance law that apply to unemployed claimants who worked in the private sector. Each SWA must be able to obtain certain information (wage and separation data) about each claimant for UCFE benefits to enable an eligibility determination. The DOL has prescribed forms to enable SWAs to obtain this necessary information. A SWA may customize these model forms, as needed, to collect the necessary information required to operate the UCFE program. Federal Unemployment Compensation Act section 6(b) authorizes this information collection. See 5 U.S.C. 8506(b).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0179.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on October 31, 2015. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about

this ICR, see the related notice published in the Federal Register on April 16, 2015 (80 FR 20508).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1205-0179. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
